DIPLÔME DÉLIVRÉ:
Diplôme d'Université

DURÉE DES ÉTUDES:
One Year (September to june)

MODALITÉS D'ENSEIGNEMENT:
Formation continue

► PRÉSENTATION

A unique LLM for construction professionals seeking knowledge of sound contracts management practices in relation to international construction contracts in both civil law and common law environments.

The LLM I2C is aimed at providing professionals working internationally with the required combination of legal, management and practical skills to ensure good and efficient contracts management. The course is based on an optimal blend of academic and practical knowledge, combining lectures, case studies and tutorials with group work.

► OBJECTIFS

The LLM I2C is aimed at providing professionals working internationally with the required combination of legal, management and practical skills to ensure good and efficient contract management.

The course is based on an optimal balance of academic and practical knowledge, combining lectures, case studies and tutorials with group work.

► ORGANISATION DES ÉTUDES

The program takes place over one year in Paris.
158 hours of teaching.

The courses are organized in three-day sessions: Thursday, Friday and Saturday, held once a month.

The courses are taught in English. They combine an academic/theoretical component supported by concrete examples of international projects, and role-playing exercises.

- **On site training:** At the heart of Paris at the following address: 4 rue Blaise Desgoffe – 75006 Paris
- **Online Distance Learning:** If students cannot attend our courses in Paris, our distance learning platform allows them to study online from any location and is designed to fit in around their work obligations.
- Our online learning environment offers students flexibility in terms of time and place of study, and offers direct contact with tutors and other students. The online campus provides students with live lectures and other course material. Students also have access to videos of the lectures if they live in a time zone which prevents them from attending the live lectures. Students attending live lectures can easily interact with the teachers and other students.
- Students who follow the course online can either sit the exams in Paris, or at French institutions in their home country (Consulate, French Council, etc. – subject to conditions – please contact us for further information)

Exams are taken remotely for everyone.
